

Permission to Metal Detect on Private Property

Richard Wood (Detector) has permission to enter to the property located at:

(Location) for the purpose of recreational metal detecting in the search for, and recovery of, relics and other artifacts located on the property subject to the following:

This permission shall remain in effect until midnight of ____/____/____, or such time that it is revoked in writing.

Metal detecting may be performed in all areas of this Location except:

Responsibilities

1. Detector will take reasonable precautions for the safety and protection of persons and property while metal detecting at this Location.
2. Detector will make reasonable efforts to notify me by email or cell-phone-text prior to entering the Location to metal detect.
3. Detector will exercise reasonable judgement in choosing when to detect at this Location so as to not interfere with my own use and enjoyment of the Location.
4. Detector will report finds of significant historical or archaeological significance to me

Digging and recovery

It is understood that recovery of detected items may require the digging of small holes, generally 4 to 8 inches in diameter. All recovery & digging shall be performed according to generally accepted detecting standards. Any holes dug will be filled in, and returned as nearly as possible, to original condition.

Companions/Students

Detector may be accompanied by no more than ____ persons (Companions) while detecting at the Location subject to the following:

- o Companions do not have permission to enter the Location for purposes herein unless accompanied by Detector
- o Companions agree to abide by all provisions of this agreement.

Owner/Authorized Agent

I certify that I am the owner/authorized agent of the above property and have authority to grant this permission.
